

Do not sit or stand on the table because of the risk of collapse

This table is for indoor use only.

For your safety check that the Table top is properly locked

Only adults should set up the table for play. Two adults are recommended.

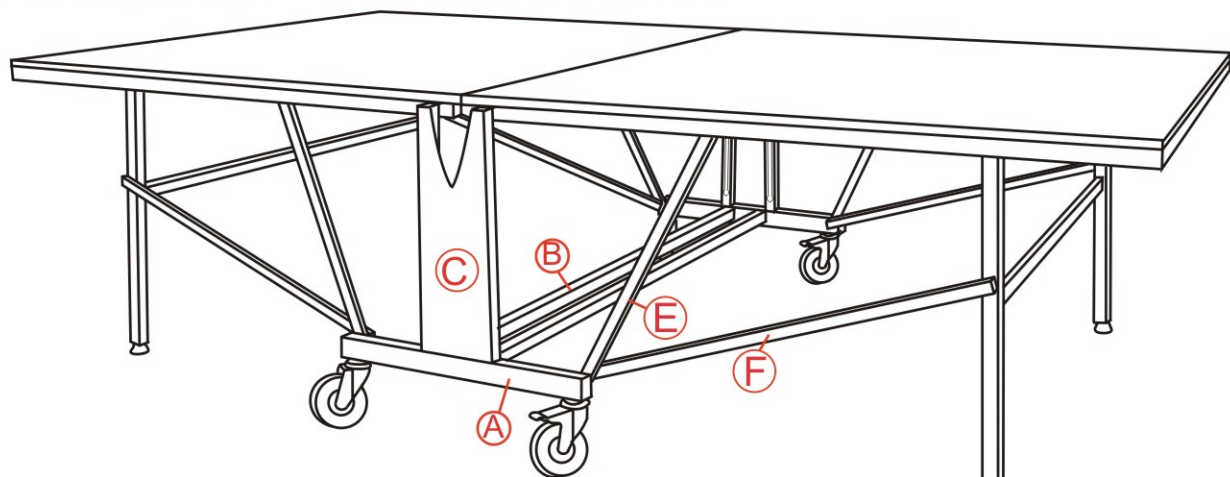

Moving the table on a sloping surface may cause the table to tip over, damage it or more seriously, lead to injury. Take the necessary precautions.

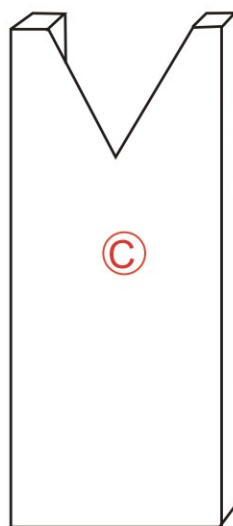

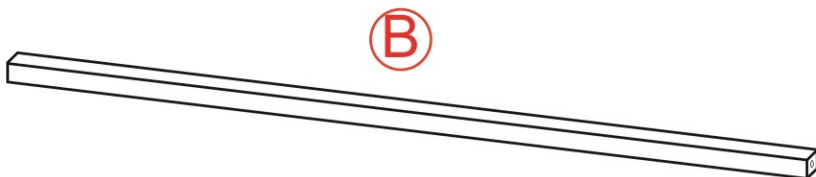

Take care when opening and closing the table. Ensure all locks are engaged.
